

Session Program

21-25 Oct 2013

Physical processes in the ISM

The ISM at high redshift

MPE
Gießenbachstraße 1 85748 Garching

Friday 25 October

11:10

The ISM at high redshift

Session | **Location:** MPE, Gießenbachstraße 1 85748 Garching | **Convener:** Ellen Zweibel

11:10-11:40

The ISM at high redshift: Observations

Speaker

Linda Tacconi

11:40-12:10

The ISM at high redshift: Theory

Speaker

Avishai Dekel

12:10-12:25

Turbulence and the formation of supermassive black holes at high redshift

Speaker

Muhammad Latif

12:25-12:40

Outflows and the multi-phase turbulent structure of the ISM in high-redshift galaxies

Speaker

Dr Thorsten Naab

12:40
