

Session Program

21-25 Oct 2013

Physical processes in the ISM

Laboratory Astrophysics

MPE
Gießenbachstraße 1 85748 Garching

Tuesday 22 October

10:55

Laboratory Astrophysics

Session | **Location:** MPE, Gießenbachstraße 1 85748 Garching | **Convener:** Simon Glover

10:55–11:35

Laboratory Studies of Dust Formation and Processing

Speaker

Cornelia Jäger

11:35–11:50

Combining experimental techniques for comprehensive astrophysical case studies

Speaker

Holger Kreckel

11:50–12:05

Laboratory studies on electron collisions of atomic and molecular ions

Speaker

Andreas Wolf

12:05
