

# Machine Learning approaches in Lattice QCD - An interdisciplinary exchange

## Monday, February 27, 2023

**ML for particle physics (2:30 PM - 4:00 PM)**

-Conveners: Lukas Heinrich

time	[id]	title	presenter
2:30 P	M109	Discovering mathematical structures with neural networks	KRIPPENDORF, Sven
2:50 P	M111	Machine Learning at IceCube	ORSOE, Rasmus
3:10 P	M110	Improving Normalizing Flows to Sample from Boltzmann Distributions	STIMPER, Vincent
3:30 P	M113	Panel discussion:	CHAIR: LUKAS HEINRICH
