

Session Program

28-30 Aug 2023

ORIGINS PhD Days 2023

Dark Matter

Tuesday 29 August

11:00

Dark Matter

Session | Location: Klosterweg 1, 83370 Seeon

11:00-11:20

Highly excited bound states for dark matter

Speaker

Stefan Lederer

11:20-11:40

Enhanced galactic center gamma-rays from dark matter annihilation

Speaker

Boris Betancourt Kamenetskaia

11:40-12:00

Aspects of luminous dark matter

Speaker

Merlin Reichard

12:00-12:20

Probing DM-DR Interaction with Cluster Counts

Speaker

Asmaa Mazoun

12:20
